

Catering Services

The Literate Dog Gourmet Dog Bakery offers custom canine party/catering packages for your special canine event such as birthday parties, fund-raisers, trade shows, competitive events, and tournaments. Each party/catering package is unique and is customized to fit with your event theme, requirements, facility and location.

Party/catering packages can include: **For the dogs**, gourmet cakes, gourmet muffins, gourmet cookies, treat bags, and party favor bags. **For the humans**, disposable plates, napkins, cups, silverware, tablecloth, balloons, banners, streamers, party hats and more.

Our gourmet cakes and muffins are prepared with the finest organic and/or natural ingredients and are packaged with an upscale and appealing presentation. We do not use frosting on our cakes, muffins or biscuits/cookies as our goal is to prepare the healthiest and most natural treat possible with no added sugar, salt, coloring or preservatives. Heavy frosting on dog treats create a treat that resembles human bakery items that appeal to the dog owners, however we prefer to create dog treats that are strictly appealing to the dogs. The dogs happily eat our treats without frosting. You may notice some cracks and splits in the top of our cakes and muffins which is simply part of the normal baking process as the batter bakes and rises, and we choose not to alter the natural look of the baked items.

Free delivery of our party/catering packages is available within 10 miles of Vernon Hills, Illinois. Delivery of our party/catering packages is available for a fee within 11-30 miles of Vernon Hills, Illinois. We do not ship gourmet cakes or muffins.

Due to the uniqueness and individuality of each party/catering package we do not post standard package pricing on our website. If you would like a price quote for your unique custom party/catering package please contact us by phone at (847) 984-2646 or e-mail at DogBakery@TheLiterateBear.com. We look forward to helping you plan your special canine event!
